CONCORDANCE TO QUOTATIONS

INDEXES

1

I certainly think that the best book in the world would owe the most to a good index, and the worst book, if it had but a single good thought in it, might be kept alive by it.

HORACE BINNEY—*To S. Austin Allibone.*

2

So essential did I consider an index to be to every book, that I proposed to bring a bill into Parliament to deprive an author who publishes a book without an index of the privilege of copyright, and, moreover, to subject him for his offense to a pecuniary penalty.

LORD CAMPBELL—*Lives of the Chief Justices of England.* Preface to Vol. III.

3

An index is a necessary implement. * * * Without this, a large author is but a labyrinth without a clue to direct the readers within.

FULLER—*Worthies of England.*

4

The index tells us the contents of stories and directs to the particular chapters.

MASSINGER and FIELD—*Fatal Dowry.* Act IV. Sc. 1.

5

How index-learning turns no student pale,
Yet holds the eel of science by the tail.

POPE—*Dunciad.* Bk. I. L. 279.

6

That roars so loud and thunders in the index.

Hamlet. Act III. Sc. 4. L. 53.

7

And in such indexes, although small pricks
To their subsequent volumes, there is seen
The baby figure of the giant mass
Of things to come at large.

Troilus and Cressida. Act I. Sc. 3. L. 343.

CONCORDANCE TO QUOTATIONS

NOTE.—The indexed word is usually found in the phrase, indicated by its initial letter. When not found there it is to be understood that the phrase begins with the indexed word.

In general old spelling is not followed, but all words will be found under the correct form. This is the case with dialect, save when the spelling is so well known that the searcher would otherwise be misled. As the space allowed is often not adequate for a full phrase, unimportant words are omitted in order to convey the idea, although no word is changed.

The small black-faced figures that follow the page numbers indicate the numerical order of the quotation on the page.
